

The IEEE Power Electronics Society (PELS) is seeking a new

Deputy Editor-in-Chief (DEiC)

for IEEE Journal of Emerging and Selected Topics in Power Electronics (JESTPE)

IEEE Journal of Emerging and Selected Topics in Power Electronics (JESTPE) is accepting applications and nominations for the opening of **Deputy Editor-in-Chief**. The term will be for 3 years from January 1, 2025 to December 31, 2027.

JESTPE is co-sponsored by the IEEE Power Electronics Society (IEEE PELS) and IEEE Industry Applications Society (IEEE IAS). This journal has an Editor-in-Chief (EiC) and the Deputy Editor-in-Chief (DEiC), who shall be acknowledged leaders in the field of power electronics and their applications. He/she shall agree to assume the roles and responsibilities of the EiC/DEiC with dedication and vigor, understanding that there will be no remuneration for service to the Journal. The function of the Deputy Editor-in-Chief shall be to support the EiC, serving as an editor for handling JESTPE manuscripts, and ensuring the high-quality review process of JESTPE special issues. The DEiC generally succeeds the EiC after the term.
